The Arts Alliance Mountain Empire is an arts council formed as a service organization for artists, arts organizations and other cultural endeavors throughout the Mountain Empire. The mission of AAME is to nurture, advocate and celebrate the arts. AAME fulfills its mission primarily as the publisher of A! Magazine for the Arts. The AAME Arts Achievement Awards annually recognize five living individuals who have made outstanding contributions to the arts in the Tri-Cities area.

Recipients may include artists; arts educators in schools, colleges and universities; arts advocates and volunteers; and administrators of arts institutions.

The selection is based on artistic excellence, perseverance, commitment and sustained contributions to the arts and the cultural community. An awards ceremony May 19 recognizes the winners. Current AAME board members and A! Magazine committee members are not eligible to enter.
